on the Maine Turnpike is a boarded up rest stop, a place where high school kids drink and get into the kind of trouble high school kids have always gotten into. It's the place where Pete Simmons goes when his older brother heads off to the gravel pit to play 'paratroopers over the side'. Pete, armed with only the magnifying glass he got for his tenth birthday, finds a discarded bottle of vodka in the boarded up burger shack and drinks enough to pass out. That's why he doesn't notice a freshly mud-spattered station wagon (which is strange because there hadn't been any rain in New England for over a week) which veers into the Mile 81 rest area, ignoring the sign that reads 'closed, no services'. The driver's door opens but nobody gets out . . .

The Story of My Teeth Valeria Luiselli
2015-04-02 Gustavo 'Highway' Snchez is a man with a mission: he is planning to replace every last one of his unsightly teeth. He has a few skills that might help him on his way: he can imitate Janis Joplin after two rums, he can interpret Chinese fortune cookies, he can stand an egg upright on a table, and he can float on his back. And, of course, he is the world's best auction caller - although other people might

not realise this, because he is, by nature, very discreet. Studying auctioneering under Grandmaster Oklahoma and the famous country singer Leroy Van Dyke, Highway travels the world, amassing his collection of 'Collectibles' and perfecting his own specialty: the allegoric auction. In his quest for a perfect set of pearly whites, he finds unusual ways to raise the funds, culminating in the sale of the jewels of his collection: the teeth of the 'notorious infamous' - Plato, Petrarch, Chesterton, Virginia Woolf et al. Written with elegance, wit and exhilarating boldness, Valeria Luiselli takes us on an idiosyncratic and hugely enjoyable journey that offers an insightful meditation on value, worth and creation, and the points at which they overlap.
