Research Handbook on Law and Ethics in Banking and Finance

Costanza A. Russo 2019 The global financial crisis evidenced the corrosive effects of unethical behaviour upon the banking industry. The recurrence of misbehaviour in the financial sector, including fraud and manipulations of market indices, suggests the need to establish a banking culture that conforms to the highest standards of ethical and professional behaviour. This Research Handbook on Law and Ethics in Banking and Finance focuses on the role that law should play and the effectiveness of newly introduced regulations and supervisory actions as a driver for ethical conduct so as to reconnect the interests of bankers and financiers with the interests of society.
