Grant is part of a very special London police unit. His latest case begins with a perfectly innocent car on a homicidal killing spree - without a driver. But, before you know it, there's a Bosnian refugee, the Most Haunted Car in England, a bunch of teenagers loaded on Ketamine and seemingly-harmless wooden bench with the darkest of pasts...

London's Lost Rivers Paul Talling 2020-04-02 From the sources of the Fleet in Hampstead's ponds to the mouth of the Effra in Vauxhall, via the meander of the Westbourne through 'Knight's Bridge' and the Tyburn's curve along Marylebone Lane, London's Lost Rivers unearths the hidden waterways that flow beneath the streets of the capital. Paul Talling investigates how these rivers shaped the city - forming borough boundaries and transport networks, fashionable spas and stagnant slums - and how they all eventually gave way to railways, roads and sewers. Armed with his camera, he traces their routes and reveals their often overlooked remains: riverside pubs on the Old Kent Road, healing wells in King's Cross, 'stink pipes' in Hammersmith and gurgling gutters on streets across the city. Packed with maps and over 100 colour photographs, London's Lost Rivers uncovers the watery history of the city's most famous sights, bringing to life the very different London that lies beneath our feet.

Rivers of London Ben Aaronovitch 2017-06-13 My name is Peter Grant and until January I was just probationary constable in that mighty army for justice known to all right-thinking people as the Metropolitan Police Service (and as the Filth to everybody else). My only concerns in life were how to avoid a transfer to the Case Progression Unit - we do paperwork so real coppers don't have to - and finding a way to climb into the panties of the outrageously perky WPC Leslie May. Then one night, in pursuance of a murder inquiry, I tried to take a witness statement from someone who was dead but disturbingly valuable, and that brought me to the attention of Inspector Nightingale, the last wizard in England. Now I'm a Detective Constable and a trainee wizard, the first apprentice in fifty years, and my world has become somewhat more complicated: nests of vampires in Purley, negotiating a truce between the warring god and goddess of the Thames, and digging up graves in Covent Garden ... and there's something festering at the heart of the city I love, a malicious vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city, and it's falling to me to bring order out of chaos - or die trying.

Broken Homes Ben Aaronovitch 2013-07-25 Ben Aaronovitch has stormed the bestseller list with his superb London crime series. A unique blend of police procedural, loving detail about the greatest character of all, London, and a dash of the supernatural. A mutilated body in Crawley. Another killer on the loose. The prime suspect is one Robert Weil - an associate of the twisted magician known as the Faceless Man? Or just a common garden serial killer? Before PC Peter Grant can get his head round the case, a town planner going under a tube train and a stolen grimoire are adding to his case-load. So far so London. But then Peter gets word of something very odd happening in Elephant and Castle, on an housing estate designed by a nutter, built by charlatans and inhabited by the truly desperate. Is there a connection? And if there is, why oh why did it have to be South of the River? Full of warmth, sly humour and a rich cornucopia of things you never knew about London, Aaronovitch's series has swiftly added Grant's magical London to Rebus' Edinburgh and Morse's Oxford as a destination of choice for those who love their crime with something a little extra.

Refugee Tales Ali Smith 2016-05-31 Two unaccompanied children travel across the Mediterranean in an overcrowded boat that has been designed to only make it halfway across... A 63-year-old man is woken one morning by border officers 'acting on a tip-off' and, despite having paid taxes for 28 years, is suddenly cast into the detention system with no obvious means of escape... An orphan whose entire life has been spent in slavery - first on a Ghanaian farm, then as a victim of trafficking - writes to the Home Office for help, only

to be rewarded with a jail sentence and indefinite detention... These are not fictions. Nor are they testimonies from some distant, brutal past, but the frighteningly common experiences of Europe's new underclass - its refugees. While those with 'citizenship' enjoy basic human rights (like the right not to be detained without charge for more than 14 days), people seeking asylum can be suspended for years in Kafka-esque uncertainty. Here, poets and novelists retell the stories of individuals who have direct experience of Britain's policy of indefinite immigration detention. Presenting their accounts anonymously, as modern day counterparts to the pilgrims' stories in Chaucer's Canterbury Tales, this book offers rare, intimate glimpses into otherwise untold suffering.

It is the summer of 2013 and Abigail Kamara has been left to her own devices. This might, by those who know her, be considered a mistake. Teenagers around Hampstead Heath have been going missing but before the police can get fully engaged, the teens return home - unharmed but vague about where they've been. Whispers Under Ground Ben Aaronovitch 2012-06-21 Book 3 in the Rivers of London series, from Sunday

Times Number One bestselling author Ben Aaronovitch. Peter Grant is learning magic fast. And it's just as well - he's already had run-ins with the deadly supernatural children of the Thames and a terrifying killer in Soho. Progression in the Police Force is less easy. Especially when you work in a department of two. A department that doesn't even officially exist. A department that if you did describe it to most people would get you laughed at. And then there's his love life. The last person he fell for ended up seriously dead. It wasn't his fault, but still. Now something horrible is happening in the labyrinth of tunnels that make up the tube system that honeycombs the ancient foundations of London. The October Man Ben Aaronovitch 2019-06-13 Trier is famous for wine, Romans and for being Germany's oldest city. So when a man is found dead with, his body impossibly covered in a fungal rot, the local authorities know they are out of their depth. Fortunately this is Germany, where there are procedures for everything. Enter Investigator Tobias Winter, whose aim is to get in, deal with the problem, and get out with the minimum of fuss, personal danger and paperwork. With the help of frighteningly enthusiastic local cop, Vanessa Sommer, he's quick to link the first victim to a group of ordinary middle aged men - and to realise they may have accidentally reawakened a bloody conflict from a previous century. But the rot is still spreading, literally and with the suspect list extending to people born before Frederick the Great solving the case may mean unearthing the city's secret magical history. . . . so long as that history doesn't kill them first. 'The Rivers of London series is an ever-evolving delight' CRIME REVIEW 'Ben Aaronovitch is a master of metropolitan magical mayhem' STARBURST 'Aaronovitch deftly balances urban fantasy with the police procedural' CRIME SCENE 'Once you start, you'll find a London that's just dying to be explored' DEN OF GEEK

Moon Over Soho Ben Aaronovitch 2011-04-21 I was my dad's vinyl-wallah: I changed his records while he lounged around drinking tea, and that's how I know my Argo from my Tempo. And it's why, when Dr Walid called me to the morgue to listen to a corpse, I recognised the tune it was playing. Something violently supernatural had happened to the victim, strong enough to leave its imprint like a wax cylinder recording. Cyrus Wilkinson, part-time jazz saxophonist and full-time accountant, had apparently dropped dead of a heart attack just after finishing a gig in a Soho jazz club. He wasn't the first. No one was going to let me exhume corpses to see if they were playing my tune, so it was back to old-fashioned legwork, starting in Soho, the heart of the scene. I didn't trust the lovely Simone, Cyrus' ex-lover, professional jazz kitten and as inviting as a Rubens' portrait, but I needed her help: there were monsters stalking Soho, creatures feeding off that special gift that separates the great musician from someone who can raise a decent tune. What they take is beauty. What they leave behind is sickness, failure and broken lives. And as I hunted them, my

investigation got tangled up in another story: a brilliant trumpet player, Richard 'Lord' Grant - my father - who managed to destroy his own career, twice. That's the thing about policing: most of the time you're doing it to maintain public order. Occasionally you're doing it for justice. And maybe once in a career, you're doing it for revenge.

Midnight Riot Ben Aaronovitch 2011-02-01 "Midnight Riot is what would happen if Harry Potter grew up and joined the Fuzz. It is a hilarious, keenly imagined caper."—Diana Gabaldon Probationary Constable Peter Grant dreams of being a detective in London's Metropolitan Police. Too bad his superior plans to assign him to the Case Progression Unit, where the biggest threat he'll face is a paper cut. But Peter's prospects change in the aftermath of a puzzling murder, when he gains exclusive information from an eyewitness who happens to be a ghost. Peter's ability to speak with the lingering dead brings him to the attention of Detective Chief Inspector Thomas Nightingale, who investigates crimes involving magic and other manifestations of the uncanny. Now, as a wave of brutal and bizarre murders engulfs the city, Peter is plunged into a world where gods and goddesses mingle with mortals and a long-dead evil is making a comeback on a rising tide of magic. "Filled with detail and imagination . . . Aaronovitch is a name to watch."—Peter F. Hamilton "Fresh, original, and a wonderful read . . . I loved it."—Charlaine Harris *The Wisdom of Crowds* 2005 Looks at the theory that large groups have more collective intelligence than a smaller number of experts, drawing on a wide range of disciplines to offer insight into such topics as politics, business, and the environment.

Rivers Of London Vol. 5: Cry Fox Ben Aaronovitch 2018-06-05 CSI meets Harry Potter in this fantastic new graphic novel from Ben Aaronovitch, writer of the bestselling Rivers of London supernatural police procedural crime novel series! Vengeful Russian mobsters are looking to hire members of London's own more-than-natural underworld to bring bloody retribution down on the witch Varvara. However, the ex-Soviet sorcerer is under the protective wing of London's own wizarding cop, Peter Grant (now a proper detective and everything), and to get the attention of Grant and his colleagues, the daughter of a prominent Russian oligarch is kidnapped by parties unknown but possibly fox-like. What makes it worse is that Peter is going to have to leave his beloved London and *gasp* go out into the countryside! And when there's trees and fields and wildlife involved, things never end well..

Rivers of London: Cry Fox #3 Ben Aaronovitch 2018-01-17 The kidnapping of two young girls is not what it seems. On the surface it looked like an attempt to ransom the daughter of the imprisoned wife of a Russian oligarch - but then why was Abigail, apprentice wizard to Peter Grant, also taken? And why, after also kidnapping his vixen and cub, were the moneyed miscreants using Dan Russell - one of London's more unusual talking foxes - as bait? Abigail, apparently poor prey material, has now been joined in captivity by another kidnapped associate of The Folly - Detective Sergeant Guleed, who is apparently considered much greater sport. Now Peter and his boss are going to have to leave the confines of London to take their chances in the green and unpleasant countryside, to track the kidnappers down... An all-new Rivers of London story written by Ben Aaronovitch and Andrew Cartmel, taking place after the events of the novel 'The Hanging Tree' and comic series 'Detective Stories'. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px}

The Conditions of Agricultural Growth Ester Boserup 2017-07-12 This book sets out to investigate the process of agrarian change from new angles and with new results. It starts on firm ground rather than from abstract economic theory. Upon its initial appearance, it was heralded as "a small masterpiece, which economic historians should read--and not simply quote"--Giovanni Federico, Economic History Services. The Conditions of Agricultural Growth remains a breakthrough in the theory of agricultural development. In linking ethnography with economy, developmental studies reached new heights. Whereas "development" had been seen previously as the transformation of traditional communities by the introduction (or imposition) of new technologies, Ester Boserup argues that changes and improvements occur from within agricultural communities, and that improvements are governed not simply by external interference, but by those communities themselves Using extensive analyses of the costs and productivity of the main systems of traditional agriculture, Ester Boserup concludes that technical, economic, and social changes are unlikely to take place unless the community concerned is exposed to the pressure of population growth.

London you can't take the London out of the copper. Travelling west with Beverley Brook, Peter soon finds himself caught up in a deep mystery and having to tackle local cops and local gods. And what's more all the shops are closed by 4pm ...

Rivers of London: Cry Fox #1 Ben Aaronovitch 2017-11-08 He may now be a Detective Constable, but Peter Grant still has a long way to go before he can become London's second fully-qualified wizard policeman (the first being his boss, Inspector Thomas Nightingale). Recently, Detective Constable Peter Grant has uncovered a brief glimpse into his mentor's history, hidden in the Folly's archives. In October 1957, Nightingale was reunited with an old friend from the war, Angus Strallen. The pair both survived the conflict, returning to Britain to pursue careers in law enforcement, which led Strallen to London; he was pursuing a serial killer. The man in question was one Professor Uwe Fischer, a Luftwaffe pilot turned boffin at a factory in Strallen's neck of the woods, Cumberland. Fischer was preying on young women, and Strallen had some evidence to suggest that he was using more than physical power to commit these crimes. He knew of only one man who could help him. It was up to the pair of old friends to work together and apprehend Fischer before he had the chance to strike again.
