Batman: The Rebirth Deluxe Edition Book 2 Tom King 2018-06-12 The acclaimed creative team of Tom King, David Finch and Mikel Jan'n takes things to a new level as Batman brings the pain to his international opponent, Bane, in *Batman: The Rebirth Deluxe Edition Book 2*. The Dark Knight has invaded his home, scarred his mind and broken his back. Now Bane has returned to Gotham City for a single purpose: eliminate the Batman once and for all. But first he'll destroy everyone the Dark Knight has ever loved or loathed. In the wake of this battle, the Batman makes Catwoman an offer that leaves her absolutely speechless. As she considers her answer, the Dark Knight tells her of a secret war from early in his career. It was a time when The Joker and the Riddler would seemingly be natural allies, but each man

determined that he and he alone must be the one to kill the Bat...and either would sooner burn down Gotham than be beaten to the punch line. All of Gotham's villains were forced to choose sides in this stunning battle of wits that quickly escalated into a full-blown war complete with civilian casualties. In this War of Jokes and Riddles, only one side could claim victory...but the scars it left shaped Batman's future. Written by Tom King (Mister Miracle, The Vision) with art by David Finch (Wonder Woman), Mikel Jan'n (Grayson), Jason Fabok (Justice League), Mitch Gerads (The Sheriff of Babylon), Clay Mann (Action Comics) and more, this latest Rebirth Deluxe Edition features two of the most critically acclaimed arcs in modern comics in hardcover for the first time. Collects Batman #16-32 and Annual #1.

DC Comics: Batman: Quotes from Gotham City (Tiny Book)

Insight Editions 2019-08-27 A compact and colorful guide to Batman's best quotes from his many comic adventures.

Batman has gathered a lot of valuable wisdom in his seventy-five years of comic history. Now readers can enjoy his sage advice in this collectible tiny book. Part of an exciting new series of miniature comic book titles, this book compiles all of Batman's cleverest and wisest quotes and life lessons along with classic artwork in an appealing mini package.

The Joker Robert Moses Peaslee 2015-02-26 Along with Batman, Spider-Man, and Superman, the Joker stands out as one of the most recognizable comics characters in popular culture. While there has been a great deal of scholarly attention on superheroes, very little has been done to understand supervillains. This is the first academic work to provide a comprehensive study of this villain, illustrating why the Joker appears so relevant to audiences today. Batman's foe has cropped up in thousands of comics, numerous animated series, and three major blockbuster feature films since 1966. Actually, the Joker debuted in DC comics *Batman 1* (1940) as the

typical gangster, but the character evolved steadily into one of the most ominous in the history of sequential art. Batman and the Joker almost seemed to define each other as opposites, hero and nemesis, in a kind of psychological duality. Scholars from a wide array of disciplines look at the Joker through the lens of feature films, video games, comics, politics, magic and mysticism, psychology, animation, television, performance studies, and philosophy. As the first volume that examines the Joker as complex cultural and cross-media phenomenon, this collection adds to our understanding of the role comic book and cinematic villains play in the world and the ways various media affect their interpretation. Connecting the Clown Prince of Crime to bodies of thought as divergent as Karl Marx and Friedrich Nietzsche, contributors demonstrate the frightening ways in which we get the monsters we need.
